Dear Asher,

On behalf of the Ridgefield Fire Marshal's Office, I am pleased to confirm approval of your Eagle Scout project to construct a designated camping site in the Hemlock Hills Trail area.

This project will serve as a lasting improvement to our community by providing a safe, organized space for camping and outdoor recreation. Your initiative not only reflects the core values of Scouting but also demonstrates an outstanding commitment to public service and stewardship of our natural resources.

Please keep this office informed of your project's progress, and do not hesitate to reach out should you require any guidance or assistance as you move forward.

Congratulations on your continued pursuit of the rank of Eagle Scout. We are proud to support you in this endeavor.

Sincerely,

Drew Loya

# Work

- Constructed on September 20th.
  - Originally planned to be built on the 20th and 21st, but finished in one day.
- Final details added on October 2nd.
  - Added sign and bench by stream
- Built by scouts and parents from Troop 116.

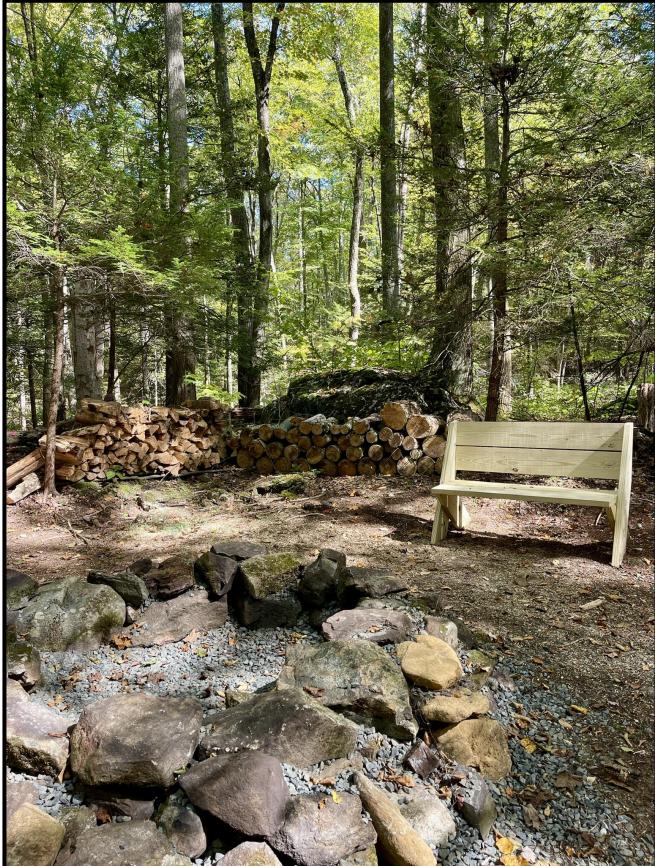

## Final Site - Entrance

- Sign marks entrance into camp.
- Trail leads directly to main area.
- Place on sign to put rules.
- Two entrances changed to one.

# Final Site - Campfire

- Constructed out of stones from old fire pits.
- Surrounded by three benches.

# Final Site: Tent Platforms

- Three platforms in total.
- Slightly overfilled to allow for runoff.

# Final Site - River

- Bench put by stream to give a place to rest or pump water.

# Lessons - Positives and Challenges

## Positives:

- I enjoyed the leadership opportunity and leading others
- Great to see the project coming together after a lot of work
- Everyone worked hard to help complete the project

## Challenges:

- Was challenging to keep young scouts focused at some points
- Biggest challenge was making tent platforms level
- Needed to buy extra stone dust halfway through day

# Expenses
